

Client Case Dell - Rabobank

Dell is one of the world's top suppliers of PCs, the company offers a broad range of technology products for the consumer, education, enterprise, and government sectors.

The Rabobank Group, which has more than 60,000 employees and operates in 43 countries, is an international financial services provider operating on the basis of cooperative principles.

Challenge

In 2009 Rabobank and Dell decided they needed a cost effective logistic partner for the roll out of ± 11,000 Dell laptops, including the imaging, handling and installation of hardware, to the Rabobank employees.

Solution

As a preferred partner of Dell, All-In Logistics offers Rabobank a very flexible 'shop-in-shop' solution at 3 locations (Utrecht, Zeist and Eindhoven) in the Netherlands, which includes:

- Inventory Management
- Storage & Warehousing
- Kitting on site at the 'Run-in' center
- BIOS-settings and Imaging
- Distribution, roll-out and On site Installations
- Customization
- f/w & s/w updates
- Product exchange (SWAP)
- Returns and Spare Parts Management
- Loans Management
- Administration of the registration numbers linked to the name of the employee

Result

With this 'shop-in-shop' solution All-In Logistics facilitates the total process, which results in a highly satisfied customer for Dell and a cost effective and easy-to-use process for Rabobank and its employees.

All-in Logistics

All-in Logistics presents itself as a high performance organization, which is characterized by efficiency, effectivity and energy to a great extent.
